Junior Newsletter March/April 2011 (Subscribe electronically by sending E mail address to newtonfishing@hotmail.co.uk)

Junior Presentation Evening.

This was a great success again with over 50 people attending. Cups were presented, a lovely buffet consumed and the raffle prizes were great with nobody going home without a prize. Pictures are in the Club Gallery now, apologies if some are a bit blurred but you can see them by clicking on the link below.

Junior Match Programme

Don't forget these are free to enter, frequently offer great prizes on the day and trophies are presented each spring. Tell your friends who are members and get down and have a go. Dates and times are on the website and in the rulebook.

Fish of the Month

Elliot Fay has won Fish of the Month again with a fine 7lb 12oz Bream taken from Dores pond. This just pipped a 20lb plus Carp taken from the same water by Harry Workman. Don't forget there is a £10 prize for winners so fill in the form in the rulebook and post it to the Club's PO Box. If you aren't in it you can't win it!!!

Charlie Rorke is becoming a top Carp angler reporting 5 double figure Carp from Dores which reached 25lb 2ozs.

Clubmark

The Club recently received the Clubmark award from Sport England which acknowledges the work NAFA does with its Junior members. Hopefully this will enable the Junior section to expand its programme of events in coming times.

Wapperwell Rule Change. Some Juniors seem to be unaware of the new rule relating to this water. **You must be accompanied by an adult at all times.** Sadly a few misbehaving youngsters have put our tenancy on this pond in jeopardy. See the rulebook to refresh your memory if unsure.

Fish Care. With the hot weather fish will be particularly vulnerable to stress so please try and avoid the use of keepnets and follow good practise. Click on the link below to refresh your memory.
